

HENRY®

FloorShield™ Floor Cleaner

Extra Strength, formula
for cleaning vinyl, ceramic,
terrazzo, linoleum,
laminated, and hardwood
floors

THE PROFESSIONAL'S FORMULA FOR SUCCESS™

HENRY® FloorShield™ Floor Cleaner

Henry FloorShield™ Floor Cleaner is an extra strength formula for cleaning vinyl, ceramic, terrazzo, linoleum, laminate, and hardwood floors. Available in concentrate and ready to use versions, Henry FloorShield™ Floor Cleaner is designed to meet all your floor cleaning needs!

HENRY FloorShield™ Floor Cleaner – READY TO USE

Use for: For use with vinyl, ceramic, terrazzo, linoleum, laminate, and hardwood floors

Directions for Use:

- Sweep or vacuum floor surface thoroughly. Henry FloorShield™ Floor Cleaner is a ready-to-use, no rinse formula, so no mixing or dilution is required, and it is not necessary to rinse the floor with water.
- Liberally spray a small section of floor surface (3 to 4 square feet) and then mop or sponge the surface clean. Repeat the process every 3 to 4 square feet, continuing until the entire floor is cleaned. Heavily soiled surface may require additional spraying and scrubbing for best results.
- While HENRY FloorShield™ Floor Cleaner is a no-rinse formula, HENRY does recommend rinsing the floor with clean water if HENRY FloorShield™ Floor Polish is going to be applied immediately after cleaning. This will help HENRY FloorShield™ Floor Polish provide a longer lasting polish coat.

Disposal: Do not reuse container. Dispose of container and any contents in accordance with all regulations.

Warranty: For complete warranty details, contact Customer Service Center at 800-232-4832.

⚠WARNING: EYE AND SKIN IRRITANT. KEEP OUT OF REACH OF CHILDREN. Contains Glycol Ether. Avoid contact with eyes. In the event of eye contact, flush well with water and call a physician. Harmful if swallowed. Avoid contact with skin. Wash thoroughly after using. Do not take internally. Non-flammable.

Freeze/Thaw: Keep from freezing.

HENRY FloorShield™ Floor Cleaner – CONCENTRATE

Use for: For use with vinyl, ceramic, terrazzo, linoleum, laminate, and hardwood floors.

Directions for Use:

- Sweep or vacuum floor surface thoroughly.
- Mix half a cup of HENRY FloorShield™ Floor Cleaner per gallon of water for vinyl, ceramic, linoleum and terrazzo floors. Use 3/4 cup per gallon of water for heavily soiled floors. Do not exceed 1/2 cup of HENRY FloorShield™ Floor Cleaner for laminate or hardwood floors.

- Use cool water for best results.
- Soak a clean mop in the mixed solution and wring out thoroughly. For hardwood floors, HENRY FloorShield™ Floor Cleaner should be applied using a spray bottle.
- Damp mop a 3 to 4 square feet of the floor surface.
- Return mop to the bucket to recharge and wring out thoroughly.
- Repeat every 3 to 4 square feet, until entire floor is clean.

Considerations: Large areas may require mixing a new batch of cleaning solution periodically to prevent re-depositing of dirt. Heavily soiled floors may require additional scrubbing.

Disposal: Do not reuse container. Dispose of container and any contents in accordance with all regulations.

Warranty: For complete warranty details, contact Customer Service Center at 800-232-4832.

⚠WARNING: EYE AND SKIN IRRITANT – KEEP OUT OF REACH OF CHILDREN. Contains Glycol Ether. Avoid contact with eyes. In the event of eye contact, flush well with water and call a physician. Harmful if swallowed. Avoid contact with skin. Wash thoroughly after using. Do not take internally. Non-flammable.

Freeze/Thaw: Keep from freezing.
