

HENRY®

FloorShield™ Floor Stripper

EXTRA STRENGTH
formula for removing wax
and polish buildup on all
types of vinyl flooring.

THE PROFESSIONAL'S FORMULA FOR SUCCESS™

HENRY®

FloorShield™ Floor Stripper

Henry FloorShield™ Floor Stripper is an EXTRA STRENGTH formula for removing wax and polish buildup on all types of vinyl flooring.

Use for: For use with vinyl, ceramic, and terrazzo floors. Not for use on linoleum floors.

Directions for Use:

- Sweep or vacuum floor surface thoroughly.
- Add one quart or half the container to 3 quarts of cool water in a clean bucket.
- Apply the solution with a mop to an area 3 or 4 feet square. Allow solution 3 minutes before scrubbing. Scrub the area vigorously with a nonabrasive scrub brush or scrubbing pad.
- Using a mop or wet-vac, remove the stripping solution. If using a mop, return it to the bucket.
- Immediately rinse the stripped area with clean water using a clean mop to remove the rinse water.
- Work in small areas, repeating the process. Continue until all of the floor polish has been stripped.
- Dispose of stripping solution when it becomes milky. Continuing to use the old solution will cause re-deposition of polish instead of removal. Replace rinse water when it becomes cloudy.
- Stripping process may need to be done more than once to remove all of the polish.

Disposal: Do not reuse container. Dispose of container and any contents in accordance with all regulations.

Warranty: For complete warranty details, contact Customer Service Center at 800-232-4832.

⚠WARNING: MAY CAUSE SEVERE EYE OR SKIN BURNS.

HARMFUL IF SWALLOWED. Contains sodium Metasilicate - highly alkaline. Avoid contact with eyes and skin. Use eye protection and latex or rubber gloves. If splashed in eyes, flush with water for 15 minutes. Call a doctor if skin contact occurs. Immediately wash thoroughly with soap and water. Remove contaminated clothing and shoes. In case of prolonged skin contact or ingestion, call doctor. Do not take internally. **KEEP OUT OF REACH OF CHILDREN.**
