| SECTION 2 – HAZARDS IDENTIFICATION   |   |  |  |  |  |
| GHS Classification per 29 CFR 1910.1200 (OSHA HCS 2012) and HPR (WHMIS 2015)<br>Not classified as hazardous.                                       |   |  |  |  |  |
| GHS Pictograms   | None.   |  |  |  |  |
| Signal Word  | None.   |  |  |  |  |
| Hazard Statements  | None.   |  |  |  |  |
| Safe Handling Instructions   | Avoid eye and skin contact. It is recommended to use safety glasses and gloves during handling. During installation process, adequate ventilation of the work area should be maintained. Keep container closed. |  |  |  |  |
|  | During normal usage of the product as recommended, airborne dusts and mists will not be present. See Section 7 (Handling and Storage) for further details.  |  |  |  |  |
| Hazards Not Otherwise Classified   | None.   |  |  |  |  |
| % With Unknown Acute Toxicity  | Less than 1% by weight of this product consists of ingredients with unknown acute toxicity.   |  |  |  |  |

# **SECTION 3 – COMPOSITION/INFORMATION ON INGREDIENTS**

| Ingredients No hazardous ingredients | N/Ap | % (by weight) |  |  |  |
|--------------------------------------|------|---------------|--|--|--|
| SECTION 4 – FIRST AID MEASURES       |      |               |  |  |  |

| General    |
|------------|
| Inhalation |

: Call a Poison Center or doctor if you feel unwell.

: Remove person to fresh air and keep at rest in a position comfortable for breathing. Get medical attention.

| Skin contact                  | : Flush affected skin with water.   |
|-------------------------------|---|
| Eye contact                   | : Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention. |
| Ingestion                     | : Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.   |
| Notes for Physician           | : Treat symptomatically.  |
| Signs and symptoms of short-t | n (acute) exposure  |
| Inhalation                    | : None known.   |
| Skin                          | : Symptoms may include mild redness or itching.   |
| Eyes                          | : Symptoms may include mild redness, itching, or pain.  |
| Ingestion                     | : None known.   |

#### Effects of long-term (chronic) exposure

: None known.

#### Indication of need for immediate medical attention or special treatment

: Difficulty breathing persists after removing the person to fresh air.

Any exposure to the eye which causes irritation.

#### SECTION 5 – FIRE FIGHTING MEASURES Suitable extinguishing media : Carbon dioxide, dry chemical powder, alcohol-resistant foam or water spray. Unsuitable extinguishing media : Water jet may spread the burning material. Hazardous combustion products Carbon monoxide, carbon dioxide, as well as other toxic vapors and gases which : are common to thermal degradation of organic compounds. Special fire-fighting procedures/equipment : Firefighters should wear proper protective equipment and self-contained breathing apparatus with full face piece operated in positive pressure mode. Move containers from fire area if safe to do so. Water spray may be useful in cooling equipment exposed to heat and flame. After fires have been extinguished, carefully clean all equipment and surfaces exposed to fumes. **Environmental precautions** : Do not allow material to enter drains or contaminate ground water system. Fire hazards/conditions of flammability : Not flammable under normal conditions of use. Closed containers may rupture if exposed to excess heat or flame due to a build-up of internal pressure. Flammability classification (OSHA 29 CFR 1910.1200, WHMIS 2015) : Not flammable. NFPA Rating 0 - Minimal 1 - Slight 2 - Moderate 3 - Serious 4 - Severe Health: 0 Flammability 1 Instability 0 Special Hazards: None

#### SECTION 6 – ACCIDENTAL RELEASE MEASURES

| Personal precautions                                  | : Restrict access to area until completion of clean-up. All persons dealing with<br>clean-up should wear the appropriate chemically protective equipment.   |  |  |  |  |
|---|---|--|--|--|--|
| Protective equipment                                  | : Refer to Section 8 for additional information on acceptable personal protective equipment.  |  |  |  |  |
| Emergency Procedures                                  | : This product does not contain any chemicals that must be reported to the EPA in the event of a spill or release. For advice on chemical spills with this product, call the emergency number listed in Section 1.                                      |  |  |  |  |
|   | US CERCLA Reportable quantity (RQ): None reported.  |  |  |  |  |
| Methods and materials for containment and cleaning up |   |  |  |  |  |
|   | : Ventilate area of release. Stop spill or leak at source if safely possible. Contain product with inert absorbent material, preventing it from entering sewer lines or waterways. Gather up spilled material and place in suitable container for later |  |  |  |  |

disposal (see Section 13). Residual of product, while still wet, can be cleaned up

with warm soapy water. Notify the appropriate authorities as required.

| Prohibited materials<br>Environmental precautions<br>Reference to other sections | <ul> <li>None known.</li> <li>Do not allow product to enter drains or waterways. Do not allow material to contaminate ground water system.</li> <li>See Section 13 for disposal information.</li> </ul>   |
|--|---|
|  | SECTION 7 – HANDLING AND STORAGE  |
| Safe handling procedures   | : Wear suitable protective equipment during handling. (See Section 8.) Observe<br>good hygiene standards. Use only with adequate ventilation. Wash thoroughly after<br>handling. Avoid contact with eyes, skin, or clothing. Sanding and grinding dusts<br>may be harmful if inhaled. When removing this product from existing flooring (i.e.<br>during a renovation), wear safety goggles and respiratory protection from dust due<br>to grinding, chipping, or mechanically pulverizing. Keep container tightly closed. |
| Storage requirements   | : Store in a cool, dry, well-ventilated area. Store away from heat and open flame.<br>Avoid storing in direct sunlight. Store in original container. Keep tightly closed when<br>not in use. Do not reuse empty container without commercial cleaning or<br>reconditioning.   |
| Incompatible materials   | : See Section 10.   |
| Special packaging materials  | : Always keep in containers made of the same materials as the supply container.   |

### **SECTION 8 – EXPOSURE CONTROLS AND PERSONAL PROTECTION**

| Permissible Exposure Limits    |                        | ure limits have bee<br>he components in  |                               | for the produc              | ct itself. Below | are exposure       |

N/Av

| Skin corrosion or irritation          | : May cause mild irritation to skin.  |
|---------------------------------------|---|
| Serious eye damage / eye irritation   | : May cause mild, temporary irritation to eyes.   |
| Respiratory or skin sensitization     | : None known.   |
| Germ cell mutagenicity                | : None known.   |
| Carcinogenic status                   | : This product contains crystalline silica. Respirable size particles (< 10 microns) of crystalline silica are classified as carcinogenic by IARC, ACGIH, NTP, and OSHA, because if they become airborne, they can be inhaled and cause lung cancer. During normal usage of the product as recommended, airborne dusts will not be present. See Section 7 for more information. |
| Reproductive toxicity                 | : None known.   |
| Specific Target Organ Toxicity, Singl | e Exposure  |
|                                       | : None known.   |
| Specific Target Organ Toxicity, Repe  | ated Exposure   |
|                                       | : None known.   |
| Aspiration hazard                     | : None known.   |
| Additional information                | : N/Av  |

# SECTION 12 – ECOLOGICAL INFORMATION

| Environmental effects     | : The product should not be allowed to enter drains or water courses or be deposited where it can affect ground or surface waters. |
|---------------------------|--|
| Ecotoxicity               | : No data available.   |
| Biodegradability          | : No data available.   |
| Bioaccumulative potential | : No data available.   |
| Mobility in soil          | : No data available.   |
| PBT and vPvB assessment   | : No data available.   |
| Other adverse effects     | : No data available.   |

#### **SECTION 13 – DISPOSAL CONSIDERATION**

| Handling for disposal | Handle waste according to recommendations in Section 7.   |
|-----------------------|---|
| Methods of disposal   | Dispose in accordance with all applicable federal, state, provincial and local regulations. Contact your local, state, provincial or federal environmental agency for specific rules. |
| Packaging             | Handle contaminated packaging in the same manner as the product.  |
| RCRA                  | For disposal of unused or waste material, check with local, state and federal environmental agencies.   |
|                       |   |

#### **SECTION 15 – REGULATORY INFORMATION**

#### Canadian Information:

This product has been classified according to the hazard criteria of the Hazardous Products Regulations (HPR). This SDS contains all information required by the HPR.

Canadian Environmental Protection Act (CEPA) information: All ingredients appear on the Domestic Substances List (DSL).

#### **US Federal Information:**

TSCA: All ingredients appear on the Toxic Substances Control Act (TSCA) inventory.

CERCLA Reportable Quantity (RQ) (40 CFR 117.302): None reported.

SARA TITLE III: Sec. 302, Extremely Hazardous Substances, 40 CFR 355: No Extremely Hazardous Substances are present in this material.

SARA TITLE III: Sec. 311 and 312, SDS Requirements, 40 CFR 370 Hazard Classes: Not Hazardous.

SARA TITLE III: Sec. 313, Toxic Chemicals Notification, 40 CFR 372: This product is not subject to SARA notification requirements, since it does not contain any Toxic Chemical constituents above *de minimus* concentrations.

#### U.S. State Right to Know Laws

California Proposition 65: See product label for information concerning California Proposition 65.

Other State Right to Know Laws: Not applicable.
